

Turf Star®

Perennial Ryegrass Blend

Turf Star is a superior quality perennial ryegrass blend. For a dark green perennial ryegrass with strong genetics and mechanical purity, Turf Star is your grass of choice. Fast to germinate and quick establish, Turf Star is ideal for full sun and light shade.

Key Features:

- A Blend of 3 premium perennial ryegrass varieties
- Broad adaptabilities to all areas of Perennial rye adaptation
- Dense low-growth habit with a fine leaf texture
- Excellent mowing quality, 1-3 inch
- Dark Green color
- Wear tolerant
- Provides excellent Fall over-seeding performance for warm season grass lawns throughout the Southwest, South and Southeast.

At A Glance

Lawn & Landscapes:

Today's Lawns require turfgrasses needing lower maintenance costs and overall inputs. Lower water use, less fertilizer required, fewer clippings, and aggressively competing with weeds during establishment are all traits that set varieties from Barenbrug USA apart from the competition.

- ✓ New Seeding
- ✓ Overseeding
